GRAPE & CHEESE DISCOVERY

WINE AND CHEESE ARE A MATCH MADE IN CULINARY HEAVEN!

Select three wines from the list below and accompany your wines with our recommended cheese pairings.

SANGRE DE TORO

Penedès, Spain | Sangre de Toro Sparkling Brut is a cuvée released by Torres with the aim of creating a global sparkling wine with the end of Cava Brut. The label design and character font have been renewed from the conventional classic design to a more modern design. Appearance is pale yellow in color. Aromas of citrus fruits such as lemon and citrus, with hints of white flowers and anise. A style in which fresh and fruity fruit flavors fill the mouth and beautiful acid tightens the whole. The afterglow of elegant bubbles continues for a long time.

Cheese pairing: Sheep, aged, savory cheeses

FEUDO PRINCIPI DI BUTERA INSOLIA

Sicilia, Italy | The Insolia di Feudo Principi di Butera was born in vineyards located in the municipalities of Butera and Riesi, in the province of Caltanissetta. It is produced exclusively with Insolia grapes, harvested in the first week of September. A clear and bright golden strawyellow, with faint greenish highlights. Broad, with hints of exotic fruit and broom flowers. Rich and well-balanced, with delicate, sweetish hints of almonds.

Cheese pairing: Soft, bloomy rind cheeses

NAVAJAS RIOJA ROSADA

Rioja, Spain | Bodegas Navajas is a family winery that was established during 1918. The wines produced here are utmost class and elegance because a lot of attention goes in maintaining the quality of the vineyards and analysing the terroir and soil quality in each of the vineyards. It has a pale pinkish, salmon color, typical of the rosé wines in demand in this area of the Denomination of Origin. It has a soft aroma of ripe fruit and flowers that, together with its light but broad taste, manifests itself throughout its "journey", leaving a fresh and warm final sensation at the same time.

Cheese pairing: Young goat cheeses

AA BADENHORST SECATEURS

Swartland, South Africa | AA Badenhorst Family Wines are grown, made and matured on Kalmoesfontein farm in the Swartland appellation of South Africa. 180ha of old bush vines grow in the Siebritskloof part of the Paardeberg mountain. The property is owned by the baie dynamic and good looking cousins Hein and Adi Badenhorst. They are originally from Constantia. The aromas are perfumed, peppery, spicy and exhibit ripe red fruit notes. As always, the palate texture of this style of wine is supple, smooth on the entry but with enough grip and freshness to finish dry and refreshing. In the mouth the texture and fineness of fruit tannin and drinkability of the wine is immediately evident.

Cheese pairing: Semi-Hard cheeses

CHRONIC CELLARS SUITE PETITE

California, USA | Chronic Cellars was founded in 2004 by Josh and Jake Beckett who decided to combine their winemaking passion and talent to turn top quality or "chronic" grapes into delicious wines. The two brothers grew up in Paso Robles in a winemaking family so their formative years were spent washing down barrels and putting in hours on the bottling line. This fun and vivacious Petite Syrah is bursting with luscious cassis, black cherry and blackberry along with a silky smooth texture and refined tannins. The rich, full-bodied profile is matched by a firm structure and long spicy finish with hints of freshly-cracked black pepper

Cheese pairing: Hard, Smoked cheese

GRAHAM'S FINE WHITE PORT

Douro, Portugal | Graham's Fine White Port is a fortified port wine with a pale golden colour that has fruity notes on the nose. On the palate it reveals flavors of honey and nectar, a soft touch of almonds and citrus nuances that provide balance, freshness and a delicate touch.

Cheese pairing: Soft Hard, Blue cheeses No other offers or promotions apply.
